SOCIETE DES MINES D'OR DE KILO-MOTO  
1, Place du Luxembourg  
BRUXELLES

The advertisement features a central illustration of a mine entrance with a wooden frame and a large rock. To the left, a black and white photograph shows two miners in profile, wearing hard hats. Below the main illustration, a smaller black and white photograph shows a building with a large arched doorway and a window, with a person standing near the entrance. The background is a light green color with a white, jagged, mountain-like shape on the left side.
